United Kingdom labour law regulates the relations between workers, employers and trade unions. People at work in the UK benefit from a minimum charter of employment rights, which are found in various Acts, Regulations, common law and equity. This includes the right to a minimum wage of Â£7.83 for over 25-year-olds under the National Minimum Wage Act 1998.

An employment contract or contract of employment is a kind of contract used in labour law to attribute rights and responsibilities between parties to a bargain. The contract is between an "employee" and an "employer". It has arisen out of the old master-servant law, used before the 20th century. But generally, the contract of employment denotes a relationship of economic dependence and social ...
