Your ability to get out of your home during a fire depends on advance warning from smoke alarms and advance planning. Fire can spread rapidly through your home, leaving you as little as one or two minutes to escape safely once the smoke alarm sounds. A closed door may slow the spread of smoke, heat and fire.

Escape from New York is a 1981 American post-apocalyptic science-fiction action film co-written, co-scored and directed by John Carpenter. The film is set in what was then the near-future year of 1997, in a crime-ridden United States that has converted Manhattan Island in New York City into the country's maximum security prison. When Air Force One is hijacked by terrorists and crashes into New ...
