F. A. Hayek's essay "Individualism: True and False" (pdf; chapter one of Individualism and Economic Order) overflows with insights that belong in any brief on behalf of a free society. As the title suggests, Hayek wished to distinguish two markedly different philosophies associated with the label individualism: one that rejected rationalism and one that embraced it.

But The Constitution of Liberty is not a narrowly conceived party tract. It favours no party, except perhaps for "the party of life, the party that favors free growth and spontaneous evolution", which Hayek evokes in his postscript. Rather, The Constitution of Liberty is the culmination of four decades of reflection on the
