Apps for your smartphone... DB Navigator is a free online train timetable app for all of Europe, the app version of the German Railways all-Europe online timetable at bahn.de. It provided a journey planner, train details, and calling points, though it needs a WiFi or mobile data connection.

TRAIN TRAVEL IN EUROPE | A beginner's guide

The European Train Control System (ETCS) is the signalling and control component of the European Rail Traffic Management System (ERTMS). It is a replacement for legacy train protection systems and designed to replace the many incompatible safety systems currently used by European railways. The standard was also adopted outside Europe and is an option for worldwide application.
