Bruno DrwÄ™ski: Integration and Disintegration in European Societiesâ€ 23 up, to mistrust others and to compete one against the other in a situation where each group prefers to catch for itself jobs, consumer goods and services which tend to be more and more simultaneously rare and with an increasing poor quality and operating time.

Integration and Disintegration in European Societies

ABSTRACT Existing theories of European integration offer little purchase on the problems facing the European Union today. New theories of disintegration are emerging, but they remain disjointed. The purpose

of this comment is to suggest an overarching theoretical framework. This framework helps to structure the existing literature and to suggest new areas for research.
