I"™m very interested in contrails, but when you look for information about them on the internet, half the sites that turn up are about a conspiracy theory which claims that any trail that last more than a few minutes

is actually a "chemtrail", comprised of dangerous chemicals, particularly barium.

An author website has a lofty goal: it needs to not just be, but also needs to perform and respond. No longer just a fancy, static, online business card, it is an author's 'homebase', a marketing and networking hub and a portal that allows communication to flow between an author and his or her readers. Visiting an author's website is one of the leading ways that book readers support and get to ...
