I believe I've mentioned it here already more times than you care to hear but yeah, I am going to say it again: I am not much of a baker. Sure, I am comfortable with pie crusts, even as far as dabbling in a mini eggpie business a couple of years ago. Sure, I've had reasonable success with simple and uncomplicated Filipino macaroons, cheese cupcakes and banana pandan bread.

Yes, cyan would also work for that color. But arctic could be a more evocative word, depending on the context of the sentence and story. The point of this color thesaurus wasn't to 100% match the word with the color, so much as explore different evocative and sensual word choices that push past one's first word choice of blue.
