

exceptional lives special education pdf

Special education (also known as special needs education, aided education, exceptional education or Special Ed) is the practice of educating students in a way that addresses their individual differences and needs. Ideally, this process involves the individually planned and systematically monitored arrangement of teaching procedures, adapted equipment and materials, and accessible settings.

Special education - Wikipedia

Welcome to Special Education. The field of special education has undergone dramatic shifts since passage of the first federal law mandating public education for students with disabilities in 1975.
