-1-Chapter 4 TRUSTS Like a will, a trust is a very useful instrument in the estate-planning arsenal. Estates can be as diverse as people, and the flexibility of a trust makes it useful for many different needs.

Chapter 4 TRUSTS - American Bar Association

A trust is a three-party fiduciary relationship in which the first party, the trustor or settlor, transfers ("settles") a property (often but not necessarily a sum of money) upon the second party (the trustee) for the benefit of the third party, the beneficiary.. A testamentary trust is created by a will and arises after the death of the settlor. An inter vivos trust is created during the ...

Choose a topic below: What is a will? What is a trust? Transferring Small Amounts of Property GENERAL INFORMATION What is a will? A will is a document in which a person tells how his or her property should be given away upon death. What happens to my property if I die without a will?

Wills and Trusts | Kentucky Justice Online

English trust law concerns the creation and protection of asset funds, which are usually held by one party for another's benefit. Trusts were a creation of the English law of property and obligations, but also share a history with countries across the Commonwealth and the United States. Trusts developed when claimants in

property disputes were dissatisfied with the common law courts and ...
