The cycle of poverty is when a family remains in poverty over many successive generations. For this reason reducing child poverty has been a focus of almost all governments as a way to break this cycle. Improving the quality of education provided to the poor is seen by most as the best way to break this cycle. Improving the environment the child grows up in, ensuring access to health, and ...

Students raised in poverty are especially subject to stressors that undermine school behavior and performance. For example, girls exposed to abuse tend to experience mood swings in school, while boys experience impairments in curiosity, learning, and memory (Zuena et al., 2008).

How Poverty Affects Behavior and Academic Performance

Governor Charlie Baker, Lt. Governor Karyn Polito, and members of their administration are committed to making Massachusetts the best place to live, work, and raise a family.
