should look just exactly like my father and act exactly the opposite from him. My father was only forty when he died and he looked twenty-five and a lot of people thought Darry and Dad were brothers instead of father and son. But they only looked alike--my father was never rough with anyone without meaning to be.

Let's look at an example from the mining industry. It's almost impossible to compare the performance of a gold mining company CEO in 2011, when gold prices topped out at over \$1,900 an ounce, with that of an executive operating in 2000, when prices languished at \$400. CEOs in the gold industry cannot control the price of the underlying ...
