The M3 Lee, officially Medium Tank, M3, was an American medium tank used during World War II. In Britain, the tank was called by two names based on the turret configuration and crew size. Tanks employing US pattern turrets were called the "Lee", named after Confederate general Robert E. Lee. Variants using British pattern turrets were known as "Grant", named after Union general Ulysses S. Grant.

In a textbook illustration of the principle of convergent evolution, WWII tanks of all nations were more alike than they were different. But different nations'™ main battle tanks rotated their turrets differently "™ and some were effective despite a much slower rotation than their peers, which seems illogical.

Welcome To The Sherman Tank Site The Website started out as a thread on the Sturgeon's™ House, and it grew into something so huge, I felt it needed its own page. Check the introduction to get started or just jump around the sidebar index. The best place to discuss the content of this website is the thread about it on the SH forum. The Sturgeon's™ House Forum is a very interesting place if ...
