Origami (折り紙, from ori meaning "folding", and kami meaning "paper" (kami changes to gami due to rendaku)) is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished ...

Hello there! My book finally came out this week! As a little present I am giving you the templates for the paper gems that are shown in the book. They are an improved version of the "old" gems on my site. They include two new designs (including a simple diamond) and all the gems are available in large or small template form.

Do you know the best way to print out a book (not booklet) on an auto duplex printer if I intend to have 5.5—8.5 pages? I can get it to work with the program Clickbook, however when I try to do it with a pdf program, the duplex feature will reverse the pages on the back side, as the program thinks you will be turning the pages from one of the edges, NOT from folding down the middle like a ...
