Playing By Heart: Play as an Ecological Design Perspective \_\_\_\_\_ Play is an essential and profound mode of the human condition. An apparatus that moulds our minds and gives us experience to handle the unexpected outcomes life throws our way. It teaches us to embrace failure in order to explore and to collaborate; for it is the journey that is ...

Playing from the Heart (Candlewick Press, April 12, 2016) brings our attention again to the allure of piano music. This title, written and illustrated by Peter H. Reynolds, gives readers insight, as did The Bear and the Piano, into the powerful personal connections made between a musician and their listeners.
