Many times, when people start out writing positive affirmations and making up an affirmation list, two things happen... First, people will get tunnel vision and only do daily positive affirmations for one category of their life. For example, when the subject of abundance and prosperity comes up, the tendency is to focus solely on affirmations for abundance and prosperity, affirmations about ...

Affirmative prayer is a form of prayer or a metaphysical technique that is focused on a positive outcome rather than a negative situation. For instance, a person who is experiencing some form of illness would focus the prayer on the desired state of perfect health and affirm this desired intention "as if already happened" rather than identifying the illness and then asking God for help to ...

The trick is to learn how to listen to yourself in a certain way so that you can change your beliefs from automatic to conscious. This takes them from the "unconscious" (subconscious) part of our mind directly into our conscious and aware mind where we then can "look them in the face" and decide if they are welcome in our lives.
