Post Mortem: Solving History's Great Medical Mysteries

Not sure why I bought this book, particularly since I bought it in hardcover. I usually buy books in the Kindle Store, maybe a PDF, but I never buy books in hardcover.

Post Mortem: Solving History's Great Medical Mysteries

This book traces 3,500 years of the medical history from the perspective of what contemporary physicians thought about the diseases of their renowned patients and how they might have treated them. It describes the characteristics of the illnesses in question, and brings to life the medical history, social history, family history, and physical examination of their famous victims.
