The earliest mantis fossils are about 135 million years old, from Siberia. Fossils of the group are rare: by 2007, only about 25 fossil species were known. Fossil mantises, including one from Japan with spines on the front legs as in modern mantises, have been found in Cretaceous amber. Most fossils in amber are nymphs; compression fossils (in rock) include adults.

Prayer is an invocation or act that seeks to activate a rapport with an object of worship, typically a deity, through deliberate communication. In the narrow sense, the term refers to an act of supplication or intercession directed towards a deity, or a deified ancestor. More generally, prayer can also have the purpose of thanksgiving or praise, and in comparative religion is closely associated ...
