

principles of communication pdf

Principles of Communication 1 The word communication arises from the Latin word "communicare", which means "to share". Communication is the basic step for the exchange of information. For example, a baby in a cradle, communicates with a cry that she needs her mother. A cow moos loudly when it is in danger.

Principles of Communication - tutorialspoint.com

Taub's Principles of Communication Systems, is a comprehensive discourse on the fundamentals of analog and digital communication techniques. For years, the book has served the academic requirements of the communication engineers, both budding and practicing.
