profiling resilience: capturing complex realities in one word events and experiences. 9 We concluded that resilience is not the absence of PTSD anymore than health is the absence of disease. 10 ...

### **(PDF) Profiling Resilience: Capturing Complex Realities in**

Profiling for Resilience These materials, originally designed for the DfES National Learning Mentor Training programme, provide a framework for profiling the resilience characteristics pertinent to working with young people. It provides a starting point for intervention to reinforce and develop resilience. The illustrations are by Bill Stott.

### **Profiling for Resilience - Child Centred Practice**

vulnerability which is not based on fixed demographic characteristics (otherwise, all PwDs and all older people will always be vulnerable, no matter what). Key concepts for vulnerability profiling Firstly, vulnerability needs to be considered in relative terms, and in relation to a certain set of probable threats.
